We are a top-notch organization engaged in manufacturing and supplying an immaculate range of Precision Cut Glitter Powder. These products are known for their unmatched quality, vibrant colors and sparkling effect.

Profile

Established in the year **1997**, we, "**Mirotec Corporation**", have emerged as a renowned manufacturer, wholesaler and supplier of an exclusive array of **Precision Cut Glitter Powder**. We process all our powders using premium ingredients that are sourced from the renowned vendors of the market to ensure that final output meets international quality standards. Owing to their numerous characteristics, these powders are highly demanded by our clients located across the nation. Moreover, these powders are appreciated for their resistance against water based systems & UV radiation.

Backed by our experienced R&D department, we are capable of improving our existing range of intermediates as per technological advancements and market trends. Furthermore, our advanced processing unit enables us to formulate the entire range of powders while keeping in mind the variegated needs of our clients. Apart from this, our quality controllers conduct stringent quality tests on these powders to assure that these are in accordance with the global standards and norms.

Under the visionary guidance of our mentor, '**Mr. Bhavesh Chheda**', we have achieved tremendous success and growth in this competitive domain. His exemplary and fabulous business strategies have always helps us in mustering a huge clientèle base across the market.
